

\$5 for \$500 Cash Giveaway

This drawing serves 3 purposes:

1. To provide all of our bowlers with a tool to help them raise more money and win better prizes.
2. To offer an incentive to sponsor bowlers at a higher level.
3. To give **one lucky sponsor \$500 CASH and one bowler \$50 CASH!**

How does it work? Each \$5 donation to sponsor a bowler receives a ticket for one chance in the drawing. For each additional \$5, the sponsor receives one extra ticket for the drawing. For example, \$50 = 10 tickets. The winning sponsor receives \$500 and the bowler who was sponsored by the winner receives \$50!! To be included in the drawing, completed ticket stubs must be turned in to the JA office by the deadline. Place completed and unused tickets in your collection envelope with funds equal to or greater than the number of tickets purchased. If the total pledges collected by a bowler are less than the amount indicated by the completed tickets, that bowler's ticket stubs will be voided. The winner does not need to be present at the drawing. All donations to JA are tax-deductible.
